Summary & Recommendations.

Nutrition Services

NS-3

- Researching alternative points of sale. Grab and Go specifically. Multiple meal options are offered each day.

NS-12

- Outreach to local farmers is in progress for opportunities to incorporate Farm to School activities.
- Continue to try to utilize local farmers for food sources for cafeterias and educational activities.
- Working with Kentucky Department of Agriculture to develop bids and find vendors.
- Growers have been contacted about specifically growing items that we already use in school meals.
