

						Does the school offer school meals (both breakfast and lunch) programs that are fully accessible to all students?	Does your school use strategies to maximize participation in the school breakfast program?	Does your school provide multiple alternative points of sale for reimbursable meals, such as outside lines, kiosks, grab and go options, reimbursable vending options, to maximize participation in the NSLP?	Do school meals include a variety of offerings	Are healthy food and beverage choices promoted	Do all school nutrition program directors, managers and staff meet or exceed the annual CEU hours required by the USDA Professional Standards requirements?

Do venues outside the cafeteria (e.g., vending machines, school stores, canteens, snack bars, or snack or food carts) where food is available offer fruits and non-fried vegetables?	Do nutrition services staff members use three or more methods to collaborate with teachers to reinforce nutrition education lessons taught in the classroom?	Do students and family members have opportunities to provide both suggestions for school meals and other foods and beverages sold, served, and offered on school campus and feedback on the meal programs?	Does your school prohibit giving students food as a reward and withholding food as punishment? Is this prohibition consistently followed?	Do students have at least 10 minutes to eat breakfast and at least 20 minutes to eat lunch, counting from the time they are seated?	Is your school implementing any Farm to School activities?
